### **A fee will NOT be charged for these services in the following circumstances:**

1. If the Review results in a change to an **overall** subject grade (up or down) **when a candidate has cashed-in**. No charge will apply to **any** units requested for the subject.
2. If the Review results in a change to the **notional** unit grade (up or down). No charge will apply to the individual unit **only**.

## SERVICES INFORMATION

### **Service 1: Clerical re-check**

A clerical re-check of a script and a statement of marks for the component/unit.

### **Service 2: Review of Marking by Component/Unit (i.e. by script/paper)**

A review of marking of an externally assessed component (i.e. a script or other assessed item) for an individual candidate, including a clerical re-check and a breakdown of marks for that component/unit. A photocopy of the reviewed script will be available on request.

### **Service 2A: Priority Review of Marking by Component/Unit (i.e. by script/paper)**

Priority review of marking of an externally assessed component/unit (i.e. a script or other assessed item) for an individual candidate, including a clerical re-check and breakdown of marks for that component/unit.

Candidates are advised to apply for this service only if a place in higher education is dependent on the outcome. We strongly recommend that centres request this service as soon as possible following the issue of results so that reviews can be completed in time to meet UCAS admissions deadlines. A photocopy of the reviewed script will be available on request. The fee for a photocopied script is indicated on the first page.

### **Service 3: Review of Moderation of Centre Coursework/Controlled Assessment**

A review of moderation of the centre's original coursework/controlled assessment sample for a centre assessed component, with feedback on the assessment of the candidate's work.

### **Access to Scripts**

When requesting Access to Scripts, candidates should note that CCEA's quality assurance checks on scripts before dispatch may result in a change of mark. Marks may go up as well as down and candidates should be made aware of this before signing the request form.

The corresponding Mark Scheme will accompany all Access to Scripts request types.

### **Candidate Assessment Form (CAF)**

In relation to access to a copy of the Candidate Assessment Form (CAF) for AS/A2 Music Unit 1 and Performing Arts Unit 2 assignments, note that these **cannot be provided before priority review of marking**.

### **Appeals**

If a centre intends to apply for an examination appeal, they should request a photocopy of the script. If an original hard copy script has been returned to the centre under the Access to Scripts Service, it cannot form part of a review of marking or a subsequent appeal.
